

JEFFREY ALEXANDER®

by Hardware Resources

Marie

The regal presence of Marie adds subtle grandeur to your cabinets with its elegant swooping lines and jewelry-like cuff detail. Adapted from a Jeffrey Alexander classic, this pull features a soft arch that discreetly adds extra hand clearance without being imposing, making it perfect for Aging-in-Place or ADA needs. This refined collection offers five standard pull lengths and two appliance handles that are complemented by a 1-1/4" knob with similar cuff detail. Available in six of our most popular finishes, Marie brings instant sophistication to any kitchen, bath, or closet.
